

"It is through communication that we acquire a culture; it is in our manner of communicating that we display our cultural uniqueness."  
-Dean Barnlund

This new SAGE Encyclopedia of Intercultural Competence presents a lucid collection of entries that explore disciplines, definitions, and contemporary dialogues on topics of relevance to intercultural competence. What defines culture? What are the myriad barriers to collaborating across cultures? How can they be bridged? How does intercultural competence enhance professional relations? These questions and more are explained within the pages of this new reference work.
